

# **INTERNSHIP**

## **BUSINESS MANAGEMENT**

**Duration: 2 weeks**

## OBJECTIVES

The objectives of the Internship on Business Management Initiative is to give a group of technical and vocational school students the opportunity to:

- Have a practical in company work experience
- Learn about different working methods in use of enterprises in Italy
- Acquire skills working on the field to foster their future employability
- Acquire a better motivation to learn
- Get to know the European Labour Market

## TARGET GROUP

The Internship on Business Management is addressed to a group of technical and vocational school students accompanied by their trainers.

The technical and vocational school students involved in the initiative should have good school grades and should be willing to have a European experience helping them to develop specific skills related to business management as well as to get to know the Italian labour market in business management.
