

Successful Project Planning & Implementation for EU Funded Projects

Mobility Initiative

OBJECTIVES OF THE MOBILITY INITIATIVE

The Mobility Initiative aims to provide participants with the opportunity to get to know and compare the strategies and practices for the successful project planning and implementation for EU funded projects.

The specific objectives of the “Successful project planning and implementation for EU funded projects” Mobility Initiative is to give participants the opportunity to:

- Acquire knowledge about the current policies and strategies for project planning and implementation for EU funded projects
- Acquire information about how project planning is organised and managed
- Acquire information of the existing methods and experiences for the planning and the implementation for EU funded projects
- Share best practices with institutions at public level
- Develop new contacts and explore opportunities of cooperation with public institutions operating in the field of European project planning

EXPECTED RESULTS

The individuals who participate in the study visit will have the opportunity to get to know new methods, strategies and solutions for a successful planning and implementation for EU funded projects.

Furthermore, the programme will give the participants the opportunity to meet with public bodies’ directors and managers operating in the field of project planning and share with them experiences, problems and best practices.

ROLE OF PIXEL AS HOST ORGANIZATION

Pixel organizes the mobility initiative at local level.

Pixel is in charge of the implementation of the programme, of the liaising with local bodies, of the preparation of the visits, of the tutoring during the visits, of the language assistance, of the monitoring and supervision etc.

A representative of Pixel will be accompanying the group during each visit to the local bodies, providing practical assistance in the reaching the institutions to be visited, giving assistance during the visit, making all the necessary reciprocal introductions, moderating the visit and providing linguistic support.

RELEVANCE OF THE INITIATIVE

The “Successful project planning and implementation for EU funded projects” Mobility Initiative is relevant to respond to the needs of the participants involved because it will give them the opportunity to:

- Better understand the specific characteristics, strength and main challenges that the project planning sector is facing and get to know how the Italian public bodies work in this field
- Get to know and understand, in a comparative approach, how the project planning is organised and managed in Italy, in order to highlight the main differences and points in common with the own country system and to identify Best Practices to be shared.
- Have a direct contact and get to know with the key actors working in this specific field at public level, and therefore learning about different existing experiences and work methods of Italy.
- Share points of view with Italian colleagues, in order compare everyday challenges and common problems and share the most effective solutions adopted to face them effectively. This will give the participants involved the opportunity to develop a more aware and open minded point of view.
- Develop important contacts to be exploited in future cooperation initiatives and partnerships.

PREPARATION

The participants involved in the “Successful project planning and implementation for EU funded projects” Mobility Initiative, before the beginning of the mobility project will have to:

- Prepare a list of questions and topics of discussion that will be proposed to the representatives of public institution they will meet with, during the Mobility Initiative. The questions and topics of discussions will be shared with the hosting institutions and will then be proposed to each of the institutions visited so to foster the effectiveness of the meetings.
- Carry out a brief presentation of their organisation to be presented to each of the institutions visited in order to enhance the sharing of mutual challenges and of best practices.

EVALUATION AND FINAL CERTIFICATION

Each participant in the Mobility Initiative, at the end of the mobility period, is asked to fill in an evaluation form focusing on all aspects of their mobility experience in Italy. The evaluation forms are collected by Pixel and they are used to create an evaluation Report on the experience. The results of the evaluation are used for the planning of further mobility initiatives that will be based on the strengths of the experiences concluded and will overcome the weaknesses.

Each participant involved in the Mobility Initiative receive a the Europass Mobility document to record the competences and experiences acquired during the initiative itself. The document is produced in cooperation between Pixel and the promoting institution. Also, every participant receives a Certificate of Participation in the mobility initiative that provides all the relevant information on the activities carried out during the mobility initiative.
