TEACHING STAFF

The trainers involved in the International Seminar in European Project Management are:

Dr. Elisabetta Delle Donne

President and Managing Director at Pixel

Elisabetta is the President and Managing Director at Pixel.

Elisabetta graduated in Political Sciences – International Affairs from the University of Florence and has a Master in Business Administration. Since 1993, for the last 28 years, she has constantly been working in the field of international cooperation.

From 1993 to 1998 she worked as a European Project Manager in a consortium of higher education institutions. In 1999 she created Pixel and since then she has been its president and managing director.

Elisabetta is an expert in planning and managing of international projects focusing in particular on the areas of education, innovation and research.

For 25 years she has been consulting several European universities and public bodies on accessing international funding opportunities as well as European project planning and management.

So far, she has been involved as a project planner and manager in more than 150 international projects funded by the European Commission. She has developed and coordinated partnerships with more than 500 bodies world-wide, including universities, public authorities, training organizations, research centres etc.

Since 2008, Elisabetta is involved as an external expert in quality management and as an external evaluator in several European projects. She is also a senior evaluator of European Project Proposals and Final Reports submitted in the framework of the Erasmus+ KA2 Strategic Partnerships Programme, Erasmus+ Youth, COST, Horizon 2020. In the last years she has also been coordinating and monitoring the work of evaluators involved in the assessment of European project proposals and final reports.

Elisabetta is a lecturer, at higher education level, in the field of European Project Planning and Management.

Dr. Andrea Peraldo

Senior European Project Manager at Pixel

Andrea graduated in Political Science from the University of Florence, completed a Master in European Studies in 2000. Andrea started working at Pixel in 2001 as European project manager. At Pixel, Andrea, for the last 20 years, has been in charge of management international projects funded by the European Commission. Andrea has planned more than 60 successful grant applications in the framework of different funding programmes such as: Socrates, Leonardo da Vinci, Lifelong Learning and Erasmus+. Andrea is also specialized in the management of budgets of international projects. He is in charge of the administrative and financial management of the international projects in which Pixel is involved, maintaining contacts with the European project partners to support them in monitoring and reporting their project related expenditures according to funding Programme administrative requirements.

In the past 15 years, Andrea has been delivering training in the field of European Project Management and Management.

ORGANIZATION

Dates

The dates of the 2021 edition of the International Seminar in European Project Management is:

■ 11 – 16 October 2021

Asynchronous online participants can start anytime.

Duration

The seminar has a total duration of one week, 30 hours organized in 5 modules.

Onsite and Online Attendance Options

The seminar is offered either as a classroom-based or online-based programme.

It is up to each participant to decide whether to enrol for the online or onsite course.

The classroom-based programme is held in Florence (Italy).

The online course is organised via a dedicated e-learning platform. It is possible to attend the online course both synchronously (i.e. at the same time as the classroom programme) and asynchronously (i.e. the student decides when to attend the pre-recorded lectures and individually carries out the practical activities).

Methodology

The approach used, for both the classroom and online solutions, is based on a constant integration of theory with **practical, hands-on experiences**. **Practical simulations** are carried out for each topic analysed. The practical simulations also make use of the services, databases and documentation made available, online, by the European Commission and its Agencies.

Networking opportunities are provided for both onsite and online participants in the framework of a highly interactive learning environment.

Location

The classroom-based part of the the International Seminar in European Project Management is held at Pixel, **in Florence (Italy)**. Pixel headquarters are near the historical city centre of Florence.

The online course is organised via a dedicated highly interactive **e-learning platform**.

Language

The International Seminar in European Project Management is delivered in English.

ONSITE AND ONLINE ATTENDANCE OPTIONS

The Seminar in European Project Management is offered either as a **classroom-based** or **online-based programme**. It is up to each participant to decide whether to enrol for the onsite or online course.

The **classroom-based programme** is held in Florence (Italy).

The **online programme** is organised, at the same time as the classroom programme, via a **dedicated e-learning platform** already successfully tested in the framework of previous online courses delivered by Pixel that, due to the Covid-19 situation, were organised entirely online.

It is possible to attend the **online programme, either synchronously or asynchronously**.

All lectures are recorded, and all teaching materials and documents are available online, so it is possible to access both lectures and materials anytime and asynchronously. Participants can also ask questions asynchronously by contacting the course trainers who responds the day after.

WHY CHOOSE THIS SEMINAR?

4 Good Reasons to enroll:

- 1) A **truly international environment** with participants coming from all over the world.
- 2) Constant **integration of theory with practical, hands-on, experiences**.
- 3) **Teaching staff with long experience** in management, managing, and evaluating European projects.
- 4) The **experience and expertise of the Coordinator**. Pixel has over twentytwo years of experience in European project management and was directly involved in over 130 projects funded by the European Commission.
