## OBJECTIVES

The training course and study visit aims to provide participants with the opportunity to get to know and compare with own experience, the strategies and practices for the organization of teachers training initiatives in Italy.

The specific objectives of the Mobility Initiative is to give participants the opportunity to:

- Acquire a better understanding of the Italian and Tuscan Teacher Training system
- Acquire knowledge about the current policies and strategies for the organisation and management of initial and in service teachers training activities
- Acquire information about how initial and in service teachers training initiatives are organised and managed in Italy and in Tuscany in particular
- Acquire information of the existing methods and experiences for the organisation and management of initial and in service teachers training initiatives
- Share best practices with teachers training institutions both at public and private level
- Develop new contacts and explore opportunities of cooperation with public and private institutions operating in the teachers training sector in Tuscany

## TARGET GROUP

The initiative is addressed to officers, executives, directors, managers, lecturers, teachers, trainers, researchers and experts working in public bodies, universities, schools, training organizations, adult education institutions, research centres.
