|---|--|
| Law Graduate Spain |  European Project Manager in Brussels, Belgium |
| <p>The knowledge gained during the Master meant an enormous added value for my professional career. I was offered my first job as a European project manager, at the organization where I had my internship in Brussels. After a few years, I moved to another organization also in Brussels where I am currently working now.</p> | |
|  | <p>Patricia M. Project Manager and Policy Analyst at AEIDL, Brussels, Belgium</p> |

| | |
|--|--|
| History Graduate Italy |  European Project Manager in Rome, Italy |
| <p>The Master was one of the things that had the biggest impact on me and one of the main reasons I am what I am today. I was hired as European project manager right after the internship. Then I created an Association for European Project Management based in Spain and got involved in several successful projects. Now I am back to Italy and working as European Project Manager at Luiss University.</p> | |
|  | <p>Patrizio R. Project Manager at Luiss University, Rome, Italy</p> |

| | |
|--|--|
| Physics Graduate Armenia |  European Project Manager in Novara, Italy |
| <p>The Master programme served as huge input in my further career growth, development and life itself. After a successful internship in Innolabs srl I got an offer from my supervisor to continue the collaboration. The accumulated experience in the field of EU project management enriched my curriculum, and now I work as a EU Project manager in an Italian consulting company.</p> | |
|  | <p>Ani A. Project Manager at Novareckon, Novara, Italy</p> |

| | |
|--|--|
| Engineering Graduate Paraguay |  Project Manager in Milan, Italy |
| <p>While exploring career opportunities, I chose Pixel's International Master in EU Project Planning and Management to boost my skills and prospects. It turned out to be one of the best decisions of my life. Before even finishing my internship, I already had three job offers in hand. A truly transformative experience that opened doors immediately.</p> | |
|  | <p>Guillermo Luis C. Project Manager at Magneti Marelli, Milan, Italy</p> |

| | |
|--|---|
| Researcher and Teacher Belgium |  Research Project Manager in Louvain, Belgium |
| <p>After working as a researcher and teacher, I chose the Master to boost my career. Shortly after the end of the internship, I was able to obtain a position as "Research project manager" at the University of Louvain-la-Neuve (Belgium). The Master diploma and the internship experience were crucial to convince my new employers of the relevance of my candidacy.</p> | |
|  | <p>Joël F. Research Project Manager at Université Catholique de Louvain, Belgium</p> |

PROGRAMME STRUCTURE
